#### **DETAILED ACTION**

1. Text of all the office actions previously forwarded to the applicant as well as all the responses to such office actions has been incorporated by reference.

- Claims 2-5, 21-38, and 48-50 are canceled.
- No new claims have been added.
- Claims 1, 6-13, 16-17, 19 and 39 are amended.
- Claims 1, 6-20, 39-47, and 51-52 are allowed.

#### ***Drawings***

2. New corrected drawings in compliance with 37 CFR 1.121(d) are required in this application because the drawing sheets related to web page captures are not sufficiently clear. Applicant is advised to employ the services of a competent patent draftsperson outside the Office, as the U.S. Patent and Trademark Office no longer prepares new drawings. The corrected drawings are required in reply to the Office action to avoid abandonment of the application. The requirement for corrected drawings will not be held in abeyance.

#### ***Allowable Subject Matter***

3. Claims 1, 6-20, 39-47, and 51-52 are allowed over the prior art of record.

4. The following is an examiner's statement of reason for allowance:

The closest prior art of record is U.S. Patent Application Publication No. 2002/0091767 to Michael J. Munson.

5. Munson teaches methods and apparatus for creating a new marketplace for the sponsorship industry. In one embodiment of the invention, a website allows users to view information concerning a multiple listing of events that may be sponsored. Requests for sponsorship proposals (RFPs) are received from buyers, and displayed to sellers on the website. Sellers may then respond to an RFP by completing a form displayed on the site.

Art Unit: 3621

6. In regards to independent claims 1and 39, the closest prior art of record when taken either individually or in combination with other prior arts of record fails to teach or suggest the request for sponsorship of event and what terms condition are dictate in an agreement in order of the use of content such as logo or tag lines that are property of the sponsor and review of sample usage of such content and approval of such content usage by the sponsor in an electronic communication as such described in the steps of;

responsive to the request for sponsorship from the requestor being approved, an sending a request to the requestor to accept an agreement, wherein the agreement is an agreement between the sponsor and the requestor regarding terms and conditions for use of controlled sponsor content that is otherwise not available to the requestor; and

responsive to receiving acceptance by the requestor of the agreement between the sponsor and the requestor regarding terms and conditions for use of the controlled sponsor content that is otherwise not available to requestor, providing the requestor with access to the controlled sponsor content through the site and transmitting the controlled sponsor content to the requestor;

sending a communication to the requestor asking for a sample use of the controlled sponsor content for monitoring actual use by the requestor of the controlled sponsor content;

receiving the sample use of the controlled sponsor content from the requestor;

determining whether the sample use of the controlled sponsor content complies with the agreement between the sponsor and the requestor regarding the terms and conditions for use of the controlled sponsor content; and

responsive to the sample use of the controlled sponsor content not complying with the agreement between the sponsor and the requestor regarding the terms and conditions for use of the controlled sponsor content, sending a communication to the requestor citing improper use of the controlled sponsor content and terminating access for the requestor to the controlled sponsor content through the site.

Art Unit: 3621

7. Dependent claims 6-20, 40-47 and 51-52 are dependent upon independent claims 1 and 39 thus have all the limitations of claims 1 and 39 therefore, allowable for that same reason.

8. Any comments considered necessary by the applicant must be submitted no later than the payment of the issues fee and, to avoid processing delays, should preferably accompany the issue fee. Such submission should be clearly labeled "Comments on Statement of Reasons for Allowance."
